

## **Beverley 10km - Sunday 8th May**

Derek Marsh was Retford's sole competitor amongst a field of 1085 for the Beverley 10km. This race has become a regular feature in Derek's running calendar and one he thoroughly recommends, his time this year falling just outside the hour mark by 7 seconds, to give him 845th position in the race, achieving 11th in his age group.
