

## **Doncaster-Sheffield Three Counties 10km 18th October**

The second running of this race was run on a fine cool and sunny morning. 125 entries started at 1000hrs by the air traffic control tower. An out and back course was won by Andy Ward of Clowne RR (winner at the recent Clumber Park 10k). Retford had 4 entrants these were Simon Lord 39th in 43.40

Sunhil Vidhani 57th in 48.25 with Ken Neal and Derek Marsh recording a time of 58.08 finishing in 93 and 94th positions. A good, well organised local event worth considering for a club grand prix event next season.
